Dear Parent/Carer,

We are very pleased to announce that we are introducing a fantastic new way to communicate and share information with you, our parent community. As a school we want you to feel as much a part of their education as possible. With the increased use of smart phone technology we want to make best use of it.

MyEd is the free parent app that gives you a multitude of communication and information features to stay in touch with what is going on at school. The app gives you direct access to your child's attendance, timetable, absence records, achievements, behaviour and much, much more. You will also see that we update and change the information in the app as the school year moves along.

We are able to send you messages directly to the **MyEd** app relating to important information about your child's education and to remind you of events that are taking place at school.

You will receive a notification if we send you a message and there is no charge for the messages you send to us.

The **MyEd** app is available now for both Apple iOS and Android devices and can be found on either the Apple App Store or on Google Play by searching for **MyEd** or scan the QR code below to access the download page for our App.

Once you have installed and opened **MyEd**, search for **Archbishop Ilsley Catholic School** and follow the simple instructions to identify yourself.

We hope you enjoy using the app and find it a useful source of information.

Thank you.
