

Year 6 into 7 Summer school Programme 2021

Thanks for everyone wanting to get involved in this Transition Summer Camp. I have attached some info. Regarding it with the timetable for each day, but if you have any questions please just ask.

Notes:

- We are expecting 120 Year 6's per day during the week whom are coming to us in September, plus leaders from older year groups and 6th form.
- In the morning for subject specific work, groups will be split in two.
- Sessions should be fun, relaxed and engaging, but ensuring that the 'Isley' standards are kept so pupils understand expectations in September e.g., make sure a leader escorts them to bathroom, not on their own.
- You will only have a max. of 20 pupils in your group at each session (depending on numbers)
- After each session you will need to take your groups to the School Hall or either Break of lunch where they will be supervised by myself and the leaders everyday. After break you will then need to come and collect your next group.
- I need to know what classroom you will be using also.
- Registers will be given to you each day.
- Any problems just ask. Have fun, you're on Holiday too!!!

There is a ROBIN HOOD THEME this week and pupils will be producing work around this theme so if you can tailor any sessions around this it would really benefit the pupil's work.

***1 day out of the week, a group will attend Blackwell Adventure for a day trip of team building and adventurous activities.**

****West Midlands Police will also be with us for the week to support the SUMmer School programme and families in the local area.**

***** Our new Character Programme will be central to the Summer School Programme and rewards will be based around this.**
