Homework

Academic success for all pupils lies in their ability to demonstrate positive learning behaviours both in class and at home. It is vital that as your child approaches these final stages of Year 11, they are engaged in study at home. With the amount of content that pupils must cover as part of their studies, time should be spent committing it to long-term memory through revision. Spending time at home to do this will further enhance your child's chances of success in the summer exams. Your support in making sure this is done would be much appreciated.

You can also follow how your child is doing via Class Charts. This is the principal means of communication we use between school and home.

Thank you for your continued support at this important time.

Yours sincerely
