Dear Parents and Carers

**Warm weather – reasonable adjustments to uniform**

We hope you are enjoying the warm weather. We are conscious, however, this can make conditions in school uncomfortable for pupils.

Therefore, following pupil feedback, the senior leadership team and heads of year have agreed that pupils should come to school in blazer and ties and normal. However, as soon as the temperature starts to rise, pupils can put their blazers in their bags. They can also remove their ties once they are in the classroom.

Please note, that coats and jackets should be left at home. Pupils will simply overheat if they wear them.

May we also encourage all pupils to bring a water bottle to school. Not only does this help the environment, it also means it can be filled up at water fountain at break and lunch.

It is also recommended that pupils wear sun cream.

We will continue to monitor the weather forecast. As it stands, please be aware that normal school uniform is expected next week.

If you have any queries, email [enquiry@ilsley.bham.sch.uk](mailto:enquiry@ilsley.bham.sch.uk)

Yours sincerely

Mr Clinton  
Headteacher
