

AAQ Health & Social Care

Please complete one line from the task box below. All students must complete the middle box.

<p>Watch Jordan North: The Truth about Vaping or Joe Wicks: Facing my Childhood (BBC iPlayer). Create a mind-map to show your understanding of the impact of vaping and alcohol.</p>	<p>Download and explore a health app. Write a review of the app to explain how it would support people in leading a healthier lifestyle.</p>	<p>Research the role of the midwife in working with pregnant women and new parents. Create a career profile to inform others about their roles and responsibilities.</p>
<p>Research a genetic condition which is passed down from one or both parents to their children, and produce a leaflet to identify how living with that condition would affect each area of development.</p>	<p>Write a 500 word report answering the question 'What skills, attributes and values do you think you need to have to work in the health and social care sector?'</p>	<p>Research the Roper-Logan-Tierney model of nursing. Produce a leaflet to show how this would be applied to assess and plan the care of an individual.</p>
<p>Watch: On the Front Line/24 hours in A & E/999 What's your Emergency? Produce observation notes on the care provided: Who provided this? Where? How? Why? Which skills, values and attributes did they demonstrate?</p>	<p>Research different cultural traditions from around the world, particularly in areas like family roles, education, and gender expectations. Create a Powerpoint to share this information with others.</p>	<p>Research the role of a social worker in working with children and young people; adults with specific needs, and the elderly. Create a career profile to inform others about their roles and responsibilities.</p>
