Headteacher: Mr Ciaran Clinton

Bromcom Student App – Install Instructions

To use the Bromcom Student App on your phone, you will need both the Bromcom Student App downloaded on your phone and access to your school email account.

Download the Student app to your device by opening your device app store and searching for "Bromcom Student App". The icon for the app should look like the image below:

For Android devices, click [here](#)

For Apple devices, click [here](#)

Once installed, launch the Student app. The app may ask for permissions to send notifications, it is your choice whether or not to allow this. You will then be prompted to enter a five-digit PIN number. **Make sure it is something you will remember.**

"Let Your Light Shine"

Victoria Road, Acocks Green, Birmingham, B27 7XY

Tel: 0121 706 4200

Email: enquiry@ilsley.bham.sch.uk

Website: www.ilsley.bham.sch.uk

Headteacher: Mr Ciaran Clinton

Once you have entered your PIN, you will be prompted to confirm it by entering the same PIN number.

You MAY also be asked to enable fingerprint, or Face ID as an alternative to using your PIN each time you open the app.

The app will connect with Bromcom by using a "Magic Link". Click the button labelled "Magic Link" and fill in the form by entering the School ID "13571" and your full school email address, then press continue.

Your school email address takes the form of your school username (that you use to logon to a computer in school), followed by @ilsley.bham.sch.uk

When you have accessed your email, open the email from Bromcom and click on the link in the email to complete the sign up process. You must only click on this link on your phone.

You only need to go through this process once. Once the app is setup, when you open the app, login using either your five-digit pin number or Face ID/Fingerprint.
